Indiana Now Has Special Education Field

Pennsylvania's State Council of Education has given Indiana State Teachers College the right to prepare teachers in the special education field, Dr. Willis E. Pratt, president of the college, has announced.

The special education field will include two principal areas—speech and hearing handicapped and mentally retarded — educable and trainable.

For the past several years Indiana State Teachers College has been giving work in speech and hearing correction up to the last course or two. Now it will be possible for students at the college majoring in this area to complete their work and receive certification as a result of their course work at Indiana State Teachers College.

Some work has also previously been given in the field of teaching the mentally retarded. This will be expanded in the future.

For the present special education will come under the jurisdiction of the education department, Dr. Pratt said. But sometime in the future special education will probably become a department of its own.

Indiana Drama Group To Tour for USO

Delighted at the good news. L-R Dr. Willis E. Pratt, Charles A. Davis and Robert W. Ensley.

Dr. Willis E. Pratt has received an official telegram stating that an Indiana State Teachers College drama group has been chosen to make an entertainment tour for the Department of Defense under the sponsorship of the USO in association with the American Educational Theater Association.

With Dr. Pratt (at the left) in the above photograph are Charles A. Davis, music department faculty member, and Robert W. Ensley, drama director, who are equally delighted at the good news.

The Ensley-Davis group will put on the musical comedy "Boy Friend" at military installations in the North East Command at Greenland, Newfoundland, Labrador, Baffin Island, and Iceland. Scheduled to begin February 1, 1960, the tour will last five weeks.

Indiana State Teachers College is one of eight colleges in the country selected for the AETA-USO Overseas Touring program during the period: September 1959 - September 1960. The "Boy Friend" marks the fifteenth musical comedy co-directed by the Ensley-Davis team. This figure is believed to be a record in musical comedy collaboration.

The USO, which in association with the American Educational Theater Association will sponsor the Indiana State Teachers College tour, is a member agency of the Pennsylvania United Fund and receives financial support from local community chests and United Funds.

Indiana State Teachers College is the first Pennsylvania college or university to be chosen for this tour and the ISTC production is the first musical comedy to go on the Northeast tour.

Campus To Get New Library Bids Awarded; Project Started

Indiana State Teachers College will receive a new Library building to be constructed under contracts awarded by the General State Authority. Dr. Willis E. Pratt, president of the college, reports.

The proposed Library is a three story building 90 feet by 140 feet, housing open and closed stack areas, technical operations and work room, periodical room, reference rooms, browsing areas, classrooms, curriculum material areas and storage space, children's literature room, archives, and government documents room.

The proposed building is to make provision for air conditioning with soundproofed walls and ceiling. Construction materials will be masonry, steel, and fire resistant designed to harmonize with the existing buildings and other buildings now under construction on the campus.

The main entrance of the Library building will have limestone and glass block grille. The Library will be located in the present green area between Clark Hall, Fisher Auditorium, Cogswell Hall — the new music building, and John Sutton Hall.

A meeting of persons concerned with the construction of the Library was held October 30, at the college to initiate work on the building, Dr. Pratt said.

Joseph Hoover is the architect for the building. L-D Building Company of Latrobe received the general contract from the General State Authority for \$337,000, Charles L. Pile of New Castle has the heating and air conditioning contract for \$103,000, John Haney of Indiana received the plumbing contract for \$31,972, and the electrical contract for \$80,100 has gone to Electrical Contractors Associates, Inc., of Altoona.

Total cost of these four contracts will be \$552,072. The contracts which were awarded on October 19, 1959, call for a completion by April 14, 1961.

Twenty-One Courses To Be Offered In Graduate Studies Program

January 30, 1960

Twenty-one courses will be offered in the graduate program at Indiana State Teachers College beginning the second semester, January 30, 1959, Dr. Willis E. Pratt, president of the college, announced.

The graduate program at the college in Indiana has been expanded to include work leading to the master of education degree in English, French, Spanish, geography, guidance, mathematics, science, biology, physical science, and social studies in addition to elementary education, Dr. Pratt said.

Persons seeking admission to the graduate school should write to Dr. I. L. Stright at the Graduate Office, State Teachers College, Indiana, Pa.

Graduate courses scheduled for the semester beginning January 30, 1959, to be given Tuesday evenings (from 5:30-7:10) include Philosophical Foundations of Education — Dr. Dale Allen, Reading Disabilities of Elementary School Children — Miss Anna O'Toole, (from 7:30-9:10) New Viewpoints in Social Studies Instruction — Dr. Ralph W. Cordier, and Statistical Methods in Education — James McKinley.

Courses to be given Thursday evenings beginning January 30, (from 5:30-7:10) include Economic Background of Business — Dr. James K. Stoner, Tennyson and Browning — Dr. Arthur F. Nicholson, Seminar in Regional Geography—Africa — Dr. Norah Zink, (from 7:30-9:10) Interrelationships in Science — Dr. Donald Hoffmaster, and Psychology of the Exceptional Child — Dr. George A. W. Stouffer.

On Saturday mornings a total of twelve graduate courses will be offered, Dr. Stright said.

From 9:00 a.m. to 10:40 a.m., the graduate division will offer Principles and Practices in Speech Improvement — Dr. Donald Hess, Social Policy Studies — Dr. Albert Wahl, Music Literature and Materials — Robert Burggraf, Modern Algebra — George Gavala, Evaluative Methods in Guidance I — George Spinelli, and Psychology of Growth and Development — John Salsgiver.

Graduate courses given from 11:00 a.m. to 12:40 p.m. include Experimental Studies in Art Education — Dr. Lawrence McVitty, Elements of Research — Dr. S. Trevor Hadley, Recent Trends in Elementary Language Arts — Dr. P. David Lott, Types of the Novel — Dr. Edward Carr, Occupational and Educational Information — Dr. Dale Allen, and Evaluative Methods in Guidance II — Dr. Stanley Lore.

In order to facilitate the taking of courses on Tuesday and Thursday evenings the hours have been changed this semester, Dr. Stright, director of graduate studies, states. On both Tuesday and Thursday evenings the hours for courses are now adjusted to run from 5:30 to 7:10 and from 7:30 to 9:10. This will make it possible for persons so desiring to take two courses on a given evening or to take one course and have time for library research.

Alumni Executive Council Meeting Secretary's Minutes

October 10, 1959

The Executive Council of the General Alumni Association held its fall meeting in Fisher Auditorium on Saturday, October 10, 1959. The meeting was called to order by the Alumni President, Mr. Franklin George. He greeted the delegates of the Executive Council by saying, "We are happy to have you with us for another Homecoming Day, and we appreciate your effort to be with us so early in the morning."

Mr. George then introduced Dr. Pratt who made the following remarks:

"We welcome you to Homecoming Day. I am happy to report to you that the construction of our athletic field is going forward satisfactorily with the help of the alumni and friends of the college. To date we have raised approximately \$45,000 in cash and \$55,000 in pledges, a total of approximately \$100,000. At the present time we are completing the football field and the track. We have yet to complete the grandstand and auxiliary rooms and the fence.

"The Commonwealth has completed six new tennis courts which are some of the finest in the State of Pennsylvania. I trust that we might be able to obtain funds from this source for the development of the baseball field, soccer field, and several auxiliary fields for intramural sports such as softball and touch football fields. The Commonwealth has purchased 20 acres of land at the corner of Eleventh and Glass Streets. When the Brodsky equipment and materials are removed this should make a very attractive area as an addition to our campus. I trust that we might complete this project within the next three or four years.

"We have introduced into the legislature a bill which will provide for the construction of the field house at a cost of \$850,000. This has not yet been approved. Frankly, I do not believe that we will obtain favorable action on this bill. But I trust that we might be successful sometime in the future.

"You will be interested in knowing that the students are now voting on a plan to construct a Student Union at a cost of approximately \$250,000 in the neighborhood of Whitmyre Hall. This building will house the bookstore, a snack bar, a dance floor, a game room, a student lounge, and offices for student publications. The final results of this vote will be known within the next two or three days. This provides for the amortization of a loan, which will be made by the Indiana County banks, by the students increasing the activity fee from \$15 to \$20 a semester. If approved, this building should be completed before the next fall term begins. We are looking forward with great anticipation to its construction.

"It is nice to have you here and I am happy to see you all."

Mr. George thanked Dr. Pratt and as this was the first meeting conducted by the new officers, Mr. George introduced the following people: Mrs. Audrey Graham, Vice President; and Miss Mary Bagley, Secretary. He then introduced Miss Nancy Newkerk, Dean of Women, and Mr. Leroy Schnell, Dean of Men.

Mr. George then called for the reading of the minutes of the May meeting. The minutes were read by the secretary, Miss Mary Bagly. As there were no additions or corrections to the minutes, they were approved as read.

Miss Esch was then called upon to give the treasurer's report.

The president thanked Miss Esch and called for any questions or comments pertaining to the treasurer's report. As there were none, it was approved as read.

Mr. George called Mr. Samuel Furguele to give the report on the Projects Committee. Mr. Furguele stated, "I do not know whether I can do as well as Sally Johnson on this report. The Projects Committee met at 9:00 this morning and would like to make the following recommendations.

(1) That you continue support of the Athletic Field Project—the project undertaken by the Alumni Association.

(2) Membership in the Alumni Association. We have some 2,600 paid members out of a potential 18,000. Six thousand have been graduated since 1949. We are going to ask that an effort be made to increase our membership out of the 6,000 recent graduates, in addition to the three members each dues-paying member will try to secure as discussed at the May, 1959, meetings. Miss Esch reports that we will have a deficit in the treasury—\$475.00 is committed for the October 1959 bulletin, \$600.00 to the Alumni Council of the State Teachers Colleges, so we are some \$1,000 in the red. Most of us are concerned about this. We feel that an association such as ours should not operate with a deficit. I think that many of us are too passive in our membership in the Association. I feel that we have a responsibility to the college. I feel that an association such as ours has only one function, only one purpose in existing and that is to give support to the college. Anything else ought to be secondary. I think many of us have forgotten this and you ought to think seriously. Of course, this isn't true of all units. We need money here. We are operating a business. A few of us are working hard to be solvent and some groups have given generous support, but only a few.

(3) The Committee makes a motion that we recommend the following: Beginning with the Class of 1960, graduates will no longer be given free membership in the Association, but will be asked to become dues-paying members. This was prompted by many things. We found that the free membership has not at all paid off and the number that has been renewed are few and it is an expensive item. We are hopeful that they will remain paying members if we take them in as paying members in the beginning.

After discussion, Mr. George called for a motion on the proposal. The motion was properly made, seconded and carried.

Miss Esch was then called on to give a report on the New Athletic Field Project.

Mr. George again thanked Miss Esch. He then made the following remarks concerning the "Alumni Bulletin": "Few of you have received the new bulletin since they were just put in the mail. You will probably have them in the mail today. Take time to read this bulletin. There are a lot of figures in it. If you take time to look at them, they will mean a lot more to you than the composite read to you at this time. We appreciate the reading of the minutes, but take time to study them."

He then called upon Dr. Arthur F. Nicholson for a report on the Council of Alumni Associations and the Alumni Bulletin which follows:

"The State Council of Alumni Associations has a working agreement with Paul Comley French, Associates, to act as our Public Relations Consultant and Legislative representative, and it is my observation that Mr. French does a great deal of work and has been very active with the Legislature. It is the first time in the history of the State Teachers Colleges that we have had our own representative, who is not an employee of the Commonwealth, to represent us to the Legislature. This is a very definite advantage. Mr. French has a fine reputation among responsible men. He has very good connections and I think he knows almost everybody in Harrisburg that we would feel we need to know. In so far as Mr. French himself is concerned, he is a very fine, capable and democratic individual. I have disagreed with Mr. French on several occasions—I think the organization would have wanted me to disagree with him. Any organization needs to be checked and that is the reason why we should send representatives to Alumni Council meetings and representatives should be sent

from all the other State Teachers Colleges. All State Teachers Colleges are now in with the exceptions of West Chester, Kutztown, and Lock Haven. I think Lock Haven and Kutztown will probably come in. West Chester is in the process of getting a new administration and I think they will come in. We have voted to employ Mr. French with the same budget as 1959. If you continue, you are committed to another \$1200. Mr. French is willing to continue to work in part because he is a member of the Board of Trustees at Cheyney and in part because he feels sympathetic to the State Teachers Colleges cause. At this time I would think that it is to the advantage of our Alumni Association to continue its membership in the Alumni Council."

"With regards to the Alumni bulletin, Mr. Furguele reported for Mrs. Johnson and her Projects Committee that we have \$138.00 in the current balance, but that we have a bill that will be presented for \$475.00 for the October bulletin and \$600.00 to the Alumni Council. I have already mentioned that in 1960 there will be another \$1200.00 for the Alumni Council and you have committed yourselves to publish a bulletin in December, March, and June and each one of these will cost around \$500.00. It looks to me as if we have to have a budget of \$5,000.00 a year, and we need a membership of 6,000 as soon as we can get it. In reporting on the alumni bulletin, the best thing we can say is that the little "pleas" which emphasize the need for membership should be ready by all of you and thoughtfully acted upon. We are still in need of material to be published in the bulletins; however, there are a few things that come in that we can't use.

"Thank you for your attention."

Mr. George then thanked Dr. Nicholson for his splendid work and called up on Mrs. Graham for any remarks. Mrs. Graham reported that she has secured three new members and asked the other members if they had secured their quota.

Mr. George then called upon Dr. Lott to say a few words.

Dr. Lott: "We have an Alumni Liaison Committee consisting of three of us appointed by the President, and I am sure that if we hear from you we will be happy to come and see you. Maybe you don't want in particular to see me. If not, we'll have someone else, but I'll come along to drive the car. If you request us to come to your meetings, we'll certainly try to do so."

Mr. George then called for old and new business (no response).

Mr. George then called for unit reports and plans for the year. Reports were given by representatives from the following units: Pittsburgh Senior Group, Pittsburgh Junior Group, Pittsburgh North Boroughs, Tri-township, Tarentum, Indiana, Jeannette, and McKeesport.

Mr. George remarked: "It might be well to keep in mind to put a little more pressure on the recent graduates—from the past ten years or so. I can't believe that there is any graduate of Indiana who isn't interested in the school. It is very easy to understand the acceptance of a passive attitude and without a little prodding they are going to remain just that way; but if we do a little digging, once they get into the Association they will remain.

Mr. George called for additional comments and since there were none, the meeting was adjourned.

Respectfully submitted
Mary Bagley, Secretary

AUTHOR OF A BOOK

● Olive Evans Duffy, 1908, has written a book of short stories entitled **Chatter Charmers** recently published by Comet Press Books, 200 Varick Street, New York 14, New York. A copy of this book is now in the college library at Indiana.

Mrs. Duffy's experience as a teacher in Alaska and various

parts in the United States forms the background for these interesting tales for children from six to twelve years of age.

Mrs. Duffy now lives in Oakland, California, where she teaches in a private school, according to Lesta Fleck Ober, also of the class of 1908, who expresses a wish for Mrs. Olive's success in her new role.

A brief review of **Chatter Charmers** is given below:

In the more than two dozen stories which comprise **Chatter Charmers**, Olive Duffy has brought under one cover a miscellaneous group of short narratives and tales which are always winning and delightful.

Sensitive to the tameless imagination which runs riot in the "kingdom of childhood," the author ranges far and wide for her subject matter. She weaves her stories about commonplace everyday happenings, the animal kingdom, the relationship of children to finned, furred and feathered things and usually rounds off her spontaneous tales with a moral favor.

Chatter Charmers is a well-rounded and enchanting book of stories for children between six and twelve years of age. Adventure, excitement, the love for natural things and the underlying love for children inform these colorful and vividly told tales.

SCHOLARSHIP AT TECH

● The Carnegie Library School has awarded Carol S. Budd, 1957, a Carnegie Institute of Technology scholarship for 1959-60.

WJAC-TV'S MISS JEAN

● Jean Federici, 1959, is now "Miss Jean", the teacher of WJAC-TV's Romper Room program in Johnstown.

Miss Jean is a native of DuBois, but was reared in Pittsburgh,

where she attended Sacred Heart High School. She was active in high school dramatics as well as many musical organizations.

At Indiana State Teachers College, where she majored in voice and piano, Miss Federici held leading roles in many musical comedies and dramatics presentations. After having received a bachelor of science degree in music education, she became music supervisor of vocal music in the Purchase Line Joint School District, for three years.

Miss Jean has also taken post graduate work toward her masters degree at the Pennsylvania State University and spent one season with the Pittsburgh Civic Light Opera Association.

CHRISTMAS HOLIDAYS BOOK

● John Bernard Ray, 1951, has authored a book **Christmas Holidays Around the World** recently published by Comet Press of New York.

In this Reflection Book, Mr. Ray traces and explains the Christmas customs and rites of fifteen different countries—countries as widely apart in geography and mores as the Scandinavian countries, Italy, Mexico, New Zealand, Canada, and Switzerland.

Mr. Ray has shown how certain long cherished Christmas festivities originated and how they remained the same or changed. The reader will learn how alien populations celebrate this universal holiday during the winter solstice; how they dress, what they wear; how they work and how they mix or separate the sacred and the profane.

It is a volume, not only for children for whom it was written, but also for every adult who keeps the spirit of Christmas alive in his heart.

In 1955 he was awarded a Masters Degree in geography and

secondary education from the University of Pittsburgh.

A variety of his professional articles have appeared in the **Journal for Geographic Education**.

Since 1955 Mr. Ray has been teaching Pennsylvania History, Civics, and Geography in Avalon High School.

He, his wife Katherine, and son David live in Pittsburgh's suburban Avalon.

COUNCIL OF ALUMNI ASSOCIATIONS

Representing a total of about 60,000 alumni from the fourteen State Teachers Colleges in Pennsylvania, the Council of Alumni Associations of State Teachers Colleges in Pennsylvania has selected officers for the 1959-60 year, according to Paul Comly French, executive secretary of the association.

James Rowland of Harrisburg, Pa., a member of the Cheyney Alumni, has been re-elected president of the group; vice president will be Dr. Arthur F. Nicholson, public relations director of the State Teachers College, Indiana, Pa.; the secretary-treasurer will be Sara E. Drake of Camp Hill, a member of the Shippensburg Alumni.

These three officers will serve as members of the board of directors of the association along with Leon Lunn of Mansfield and Lawrence F. Blaney of Edinboro.

The council reflects the interests of alumni of State Teachers Colleges in Pennsylvania in educational matters and in legislative matters which may affect State Teachers Colleges.

The council is represented by Paul Comly French and Associates of Hadley, Pa., in legislative and public relations areas.

From 1950 to 1954 Mr. Pellegrine was head of the business education department and was teacher coordinator of the occupational training program for the New Castle, Delaware, Special School District.

In 1954 he entered the insurance business as a district manager for a leading national insurance company.

News from the Alumni Units

PHILADELPHIA UNIT

● Members of the Philadelphia Unit of Indiana Alumni gathered at the home of Mrs. Carmon Ross (Betty Read) in Doylestown for the fall meeting, October 17, 1959. The weather gods were propitious and gave sunshine with a bit of nip in the air. After sitting on the porch for awhile, all entered Betty's lovely home with its refinished, fine old furniture, Oriental rugs, and pictures that only a person of taste would select.

There were 14 present who brought box-lunches which were supplemented by Betty's refreshing punch, home-made coconut bars, coffee, and tea. Also, Mildred Mullen Cable's and Roseanne Ball Hane's delicious cakes added to the good food.

It developed that 6 of the group were reared in either Centre or Clearfield County, and the hostess had lived within a mile of (Aunt) Jane Leonard's home. Reminiscence was the topic of the day among these, which did not seem to bore the others.

Congratulations were in order for Betty who was recently appointed a trustee of the West Chester State Teachers College.

After planning some ways of raising funds for their contribution to Indiana Alumni Fund, they started homeward.

PITTSBURGH ALUMNI UNIT JUNIOR GROUP

● Betty Schneider, 1942, a teacher in Brentwood Schools, enjoyed a trip to Hawaii this summer as a member of a tour conducted by Davy Tyson.

Kathleen Simpson became Mrs. Harry Gardner in June, 1958. Since her husband has been transferred, they are enroute to take up residence in Fullerton, Calif.

Kathleen taught for many years in West Mifflin, Boro. and Hampton Twp. schools. During that time she resided in Verona, Pa., and was active in alumni work.

Each year our Junior Group augments the alumni funds with a contribution of \$150. Our members are few and we work hard to earn that money. Thus, the members names are never listed as making a cash donation to the alumni fund. Each year we have a large card party and we donate the food and prizes to entertain about 200 people. This year the party will be held at the Edgewood Club on Oct. 31, 1959. Mrs. William Tuttle (Mary Jane Miller, 1947) and Mrs. Byrns Laufer (Betty Rishel, 1941) will act as co-chairman.

Last year we had the party on Oct. 19, at the same place with Mrs. Paul C. Meyers as chairman. We earned about \$300.00 that day.

The active members of the group are as follows: They helped to make the benefit a success.

Mrs. Ruth Ferguson Alcorn, 1930 - 5915 Verona, Pa.; Mrs. Lenore Weatherly Bayus - Monroeville, Pa.; Mrs. Viola Monfredo Costas, 1945 - Penn Hills - Pgh.; Mrs. Virginia Pollock Cramer - Penn Hills - Pgh.; Mrs. Anna Louise Deifbaugh, Datz, 1931 - Verona, Pa., and Mrs. Lois Pearlman Diamond - Monroeville, Pa.

Mrs. Ruth Sample Byrd Felknew, 1944 - Wilkinsburg, Pa.; Mrs. Maude Cope Goehring, 1948 - Verona, Pa.; Mrs. Helen Solonik Waters Hoener - Pitcairn, Pa.; Mrs. Shirley Cushing Kucic - Penn Hills, Pa.; Mrs. Betty Rishel Laufer, 1941 - Churchill Boro - Pgh.; and Mrs. Bertha Barron Meyers, 1950 - Penn Hills - Pittsburgh.

Mrs. Marilyn Detweiler Penney,

1950 - Brentwood - Pgh.; Mrs. Margaret Robb Richards - Penn Hills, Pa.; Miss Betty Jane Schneider - Pgh., Pa.; Mrs. Grace Sanford Sedam - Glenshaw, Pa.; and Mrs. Lois Teeter Sellers, 1942, Murrys ville, Pa.

Miss Maratha Sterrett, 1956 - Murrys ville, Pa.; Mrs. Irene Bar-chie Suddaby, 1946 - Verona, Pa.; Mrs. Mary Jane Miller Tuttle, 1947 - Penn Hills; Mrs. Jane Gro-ham Watkins - Allison Park, Pgh.; and Mrs. Margaret Hughes Wat-kins - Pgh. 6, Pa.

PITTSBURGH-NORTH BOROUGH

● On Oct. 24th the Pittsburgh-North Boroughs Unit held a benefit bridge party at the American Legion Hall on Perrysville Ave.

Nearly one hundred members and guests enjoyed a delicious salad and sandwich plate prepared by a hard-working Ways and Means group. There was a wide variety of door prizes and the winners considered themselves very lucky to be the recipients of such lovely prizes.

Both socially and financially the party was a big success.

The next meeting will be a luncheon and Christmas party at the Congress of Clubs on Dec. 5th.

● Mr. and Mrs. Robert S. Lester and their three sons have purchased the Pelican Motel, 1901 No. Surf Rd., Hollywood, Florida.

Mrs. Lester will be remembered as Helen Mae Kelley who graduated in 1936. Until she resigned in July, 1959, Helen was a kindergarten and second grade teacher in the Sewickley Elementary School. At the time of her resignation her home was at 12 Tanager Drive, McKees Rocks, Pa.

JEANNETTE UNIT

● Twenty-eight members of the Jeannette Indiana Alumni Unit

met September 2, 1959, at Bushy Run for a picnic. Mrs. Wilson and her committee, including Mrs. Shaul, Mrs. Stevenson, and Mrs. Hebrank were in charge.

Mrs. Hebrank, president of the organization, presided at a short business meeting. Reports were given by secretary, Mrs. Shaul and treasurer, Mrs. Connor.

Mrs. Wilps gave an account of the unit's part in the Jeannette Memorial Hospital. Three incubators were purchased.

Dolores Domenick and the following are the telephone committee: Mrs. Buckley, Mrs. Hansen, Mrs. Stevenson, Mrs. Pacelli, Olivia Evans, Betty Linhart and Lucille Shearer. Mrs. Helen Simpson is in charge of news. Arrangements are in charge of Edna Brinker and her committee consisting of Agnes Jamison, Ruth Simpson, Dorothy Connor and Mamie Long. Mrs. Tom Johnson was appointed historian.

INSTANO — 1912

● Sara Jones and Ruth Galer Reimer arranged a delightful luncheon get-together for the 1912 Instano Group on Saturday, November 7th at the lovely New Park Plaza Restaurant in Oak-land.

Two other committee members were unfortunately unable to serve. Mary Bert Kincaid was nursing a broken arm, and Martha Faloon is recovering from an eye operation.

Ethel Orr, former faculty member brought us up to date with news from some of our Indiana teachers; Miss Ackerman, Miss Applegate, Miss Moore, Miss Edna B. Smith and Miss Winters.

Our class mate Florence Wallace brought us interesting campus news. Margaret Allen reported on Alumni Executive Council meeting, and the need for more

Alumni Association members.

Present were: Agnes Young, Sewickley; Ethel M. Wallace, Ingram; Nellie Pardo, Johnstown; Janet L. Banfield, Houston; Mabel M. Zehner, Washington; Florence Wallace, Indiana; Katherine Haberman, Latrobe; Edith M. Fischer, Beaver; Alice Cook, New Alexandria; Sara Jones, New Alexandria and Pittsburgh; and the following from Pittsburgh and suburbs: Margaret Allen, Marion Brown, Helen Campbell, Martha W. Faloon, Adeline Galer, Helen Brennan, Lillie L. Herman, Mary W. Hayes, Martha H. Cooley, Sarah S. Esch, Helen MacLeod, Annabelle L. McKeranhan, Edith S. Miller, Ethel Orr, Clara A. Plank, Ruth G. Reimer, Adelaide R. Clarke.

Our spring luncheon on the first Saturday of May 1960 will be held at the University Club.

Hope to see you then and there 1912.

Adelaide Ramsay Clarke
CAN YOU TOP THIS?

● Perhaps you can, and if so, write an article for the next Alumni Bulletin about your group.

There are a number of informal Alumni Groups in existence, outside the organized units. They meet at regular intervals for luncheons or dinners. It would be interesting to hear more of them and of the number of years they have been in existence.

Margaret Seibert McIntyre, president of the Pittsburgh Unit tells of one to which she has belonged for 45 years. They have never missed a monthly meeting, except in July and August, in all that time. The third Saturday of the month is reserved for a dinner in each others homes. It all started, when they were Juniors at Indiana and met for a party after the Saturday Night dance. That special box from home, determin-

ed whose room was chosen and it solved the refreshment problem also. Through the years three members have passed away and two others joined them. Of the ten present members, five are still actively engaged in school work, either as principals or teachers.

Their loyalty and devotion to the memory of the years spent at Indiana, keeps this group together.

THE PITTSBURGH UNIT

● The Pittsburgh Unit held two monthly meetings since our last report. On October 6th, we met with Helen Peterman Jones in her new home in Mt. Lebanon and on November 3rd, with Rose Brennen McManus, of Mt. Lebanon, also. Both meetings were well attended and the names of Ida Plant Patz, Mrs. J. N. Nahaus and William J. Cherney were added to our membership list. We hope to enroll other eligibles by joining the General Alumni Campaign to triple the Association's membership in 1960. It was reported that of a possible 17,000 graduates of Indiana, not more than 2,500 are members of the Alumni Association.

Those who attended the Bridge Luncheon and Hat Show sponsored by our Junior Group on October 31st, reported it a great success in every way but said they found it hard to resist the tempting fall hats.

The combined groups will hold the annual Christmas Dinner at the Woman's City Club in the Penn Sheraton Hotel on December 1st. On this occasion, the Senior Group will celebrate their Silver Anniversary. The Pittsburgh Unit was organized in 1934 with Marie Scott Murray as its first president.

We are sorry to report that Minnie McFarland, one of our Honorary Members, is in the West

Penn Hospital, Pittsburgh, with a fractured hip, caused by a fall in her apartment on November 1st.

Ten members of our Unit attended Homecoming Day on October 10th. The record enrollment, the new buildings, and results to date, of the Athletic Field Project were most impressive. The weather was perfect and the luncheon was delicious.

PIONEERING PROFESSOR

● A pioneering professor whose career also has included building a New York City dock and supervising engineering in 16 industrial plants retired July 15, 1959, at Texas Tech, in Lubbock, Texas.

He is Oscar Allen St. Clair, former head of Tech's industrial engineering department and, since 1954, assistant to the engineering dean.

Both Mr. St. Clair and his wife, the former Miriam Cameron, graduated from ISTC in 1900.

"Mr. St. Clair's retirement will be a loss for Tech, especially for my office," Engineering Dean John R. Brandford said.

"It was through his efforts that an industrial engineering department was formed at Tech," Brandford continued.

Much of St. Clair's industrial experience has been with gypsum companies. He was an engineer for 13 years with U. S. Gypsum.

DR. PRATT'S REMARKS AT ALUMNI LUNCHEON

October 10, 1959

I am very happy to report to you that the enrollment of the college has now reached more than 2,900 undergraduate students, 125 part-time students, and 250 graduate students. While we do not wish to place undue emphasis upon size we receive so many applications each year that we must reject that it seems imperative to us to accommodate as many students as possible. Each year we must refuse admission to hundreds of qualified students because of lack of facilities.

We are building as fast as possible. Four structures will be ready sometime during the current academic year including Langham Hall for men students, Wahr Hall for women students, Matthew J. Walsh Hall for mathematics and science classrooms, and a beautiful new music building named Cogswell Hall. These buildings will help provide facilities for our anticipated enrollment of approximately 3,000 to 3,100 students in 1960.

I am happy to report that our graduate program seems to be progressing satisfactorily, with 450 students enrolled in the program. Approximately one-third of these students attend each semester and during the summer sessions.

The expansion of the college raises many problems with respect to living quarters for students and places to attend their classes. We must also couple these facilities with the facilities for boarding, for their physical education, and for their social life. We must also provide adequate light, heat, water, sewage facilities, spaces for faculty offices, quarters for the commuting students, and other necessary facilities. These facilities must also be equipped with a great amount of instructional and other equipment. The timing of the completion of such facilities is one of the most difficult problems which the administration faces. At the present time we are building an addition to the power plant to provide adequate utilities and a Student Union to provide the necessary facilities for a student bookstore and student social life. At times one's head gets into a whirl in trying to keep all facets of these facilities in the proper order.

Vote Approval For New Student Union

Indiana State Teachers College will have a new \$250,000 Student Union as a result of student-faculty voting on a proposal to build a Student Union on or near the college campus with funds raised locally, Dr. Willis E. Pratt, president of the college, stated today.

A referendum election conducted by the Student Council indicates that an overwhelming majority of students and faculty voting almost by a three to one and four to one margin voted in favor of the project which would enable the Student Union to be built.

The total vote on this matter was 1568 students and 102 faculty members. The architect selected is Mr. Joseph Hoover of Pittsburgh and the attorney is Mr. Earl Handler of Indiana. These men were hired by the Directors of the College Lodge Association and the officers of The Student Cooperative Association in order to arrange for the purchase of land and to prepare the plans.

The building program hinges on the student vote to increase the activity fee from \$15 to \$20 per semester. Only students voted on the question, "Are you in favor of the increase in the Student Activity Fee?" Out of a total vote of 1959 students, there were 1159 who voted 'yes' and 430 who voted 'no', a ration of 3:1. The ration for the first four questions was 4:1.

Now that the student body and the faculty have given their consent, construction will start sometime this winter and should be completed by September of 1960. The new building will include a snack bar, the College Book Store, a student lounge, a game room, ballroom-size dance facilities, student publications offices, The Student Council office, and storage space.

The proposed site of the new Union building is the area between the Sigma Tau Gamma House and Moreau Construction Co., across the tracks from Whitmyre Hall. This plot of ground is the site of what is believed to be the oldest historical landmark of Indiana County, Shaver's Spring, dating back to 1744. According to the Indiana Historical Society, an Indian trail once passed by the spring and this train and spring were frequented by an Indian Trader, Peter Shaver, for whom the spring is named. On September 6, 1756, Colonel John Armstrong and his troops camped at this spring on route to attack the Indian village of Kittanning.

At present, a small white cottage with gingerbread trim is situated on the plot of ground. The house was the home of Jean McElhaney, former head of the Art Department for whom McElhaney Hall was named. She called this small home "Fern Cottage." In the yard behind this house is Shaver's Spring.
